

Matt is a Tampa native and Principal of Healthcare Services at Gresham Smith and Partners, a national / international design and planning firm. He specializes in the design of hospitals and medical facilities and holds a Master of Architecture from the University of Florida. He is a member of the American Institute of Architects, a certificate holder of the American College of Healthcare Architects, and a LEED Accredited Professional.

Matt is continuously active in causes that benefit our community's children, with volunteer activities that have included youth sports, pro-bono services, the Great American Teach-In, and work with children with special needs and disabilities.
